Mary Peters Athletics Track

Botanic Gardens, Belfast

These Des Ewing designed homes offer modern living and convenience within an established and desirable neighbourhood.

Situated on the outskirts of south Belfast, on the fringes of Lagan Valley Regional Park and within a designated Area of Outstanding Natural Beauty, this is indeed a rare find to combine state of the art discerning luxury in two newly constructed residences, complimented with breath taking scenic views.

Tailor made to a 2023 design, these residences will occupy private sites of at least three quarters of an acre, close to Sir Thomas and Lady Dixon Park's famous international rose gardens, Malone and Dunmurry Golf Clubs, and not to mention the beautiful meandering Lagan Towpath.

Enjoying an exclusive countryside setting this location is within a few miles of both Belfast and Lisburn city centres - it's no exaggeration to say that such opportunities rarely come to the market.

The versatile, well planned interiors should appeal to the most discerning buyer with that

informal wow factor of an everyday living, kitchen and dining space. Each property also has a magnificent lounge, formal dining room and a superb master bedroom suite with ensuite and dressing room areas. Both family homes offer additional accommodation to allow prospective purchasers the ability to work from home with a dedicated study room plus four additional bedrooms, with the majority having ensuite facilities.

M.E. Crowe have always been associated with the hallmark of quality and these exceptional family homes with all they have to offer in the way of location, build specification and turnkey finish will have immediate appeal.
